How to play Father's Day Bingo

1. **I recommend that you print this document on heavy cardstock to make the playing pieces more durable**
2. Have dad answer all the questions and write answers on answer key
3. Cut out Bingo calling cards and place them in a baggie
4. Give each player a bingo board
5. Select at random one calling card from the baggie and read aloud
6. Players will write their answers down on a piece of paper
7. Check answers to see if they are correct. If answer is correct, the player gets to put a marker over the question on the Bingo board
8. The first person to get 5 in a row diagonally, horizontally, or vertically wins
9. Have fun!

*Feel free to ditch my rules and make up your own. With one exception...you must have FUN!
