

HOW TO MAKE FRIENDS

MAKING FRIENDS HELPS CHILDREN'S SOCIAL AND EMOTIONAL DEVELOPMENT

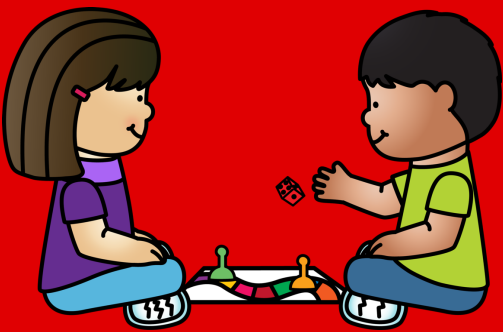

PICK A TIME TO MEET

Before talking to someone, make sure they are not busy doing something or talking to someone else.

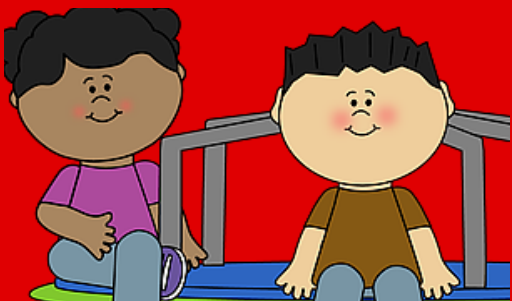

INTRODUCE YOURSELF

Look the person in the eyes, speak clearly, and smile. Tell them your name and ask them for their name.

SHARE INTERESTS

When getting to know someone, share with them your likes and dislikes (i.e. food, games, toys, etc.)

LISTEN TO OTHER PERSON

Let the other person talk about themselves. Be respectful and listen to them.

FINISH CONVERSATION

End the conversation respectfully. You can say "I have to go now, I'll talk to you later."
